Info and List of Staff Members

This is the sequel to Ways to Get Kicked Out of ShadowClan. LionheartPublishing had to create another book because there is a limit of one hundred chapters per story. This book will contain more amusing stories and ways to get kicked out of each of the Clans.

Each book could not be published without the hard work of our loyal staff members, who will be listed below.

Owner

Lionheart

Deputy

Firestar

Chief Editor

Brackenfur

Reporter/Filmer who records videos of these scenes or writes about them in her notebook

Crazystar

Everyone else as

This book, first published in 2013, is a publication of LionheartPublishing Books. Any copying without written permission from Lionheart or Firestar is a violation of the StarClan code, and will result in loss of restaurant privileges. Anything Cloudtail does is automatically

considered wrong, and should be reported to a loyal LionheartPublishing staff member.

More Ways to Make Blackstar Hate You Forever

Well, here's some more ways to make Blackstar hate you forever and to more than likely get kicked out of ShadowClan.

1. Kill Rowanclaw(WARNING: This may not be a good for health. There is a high chance of being killed by Blackstar.)

2. Start a food/prey fight in the ShadowClan camp.

3. Trade Blackstar to RiverClan in exchange for fresh-kill.

4. Steal Blackstar's secret stash of candy.

5. Say all day long, "Little baby Blackstar want a cookie?"

6. Give Jayfeather a monster and then invite him to the ShadowClan camp.

7. Start a war between ShadowClan and ThunderClan.

8. Tell Blackstar there's a dog nearby to make him climb a tree, and then push him out of the tree(Note from Fire-Fire-cheese-cat: That would be fun to do...wait a second, there's an error or something! Whenever I type Fire-Fire-cheese-cat, it automatically changes to Fire-Fire-cheese cat! UGH, not when I type Fire-Fire-cheese-cat! I have to change the spelling/capitalization a bit...whenever I type FIRESTAR! Ok, so...I'll have to find out what's wrong with this anyhow back to the ShadowClan thing or whatever.)

9. Put pink bubblegum in Blackstar's fur.

10. Break the warrior code. (DUH!!!!)

11. Steal one of ShadowClan's kits and hide it in the leader's den in the **THUNDERCLAN** camp.

12. Destroy the nursery.

13. Find a pile of fox-dung and stuff it in Blackstar's mouth.

14. Steal Rowanclaw's purse.

15. Join the DarkForest Publishing Staff.

16. Say hi to AwesomestCatEver(UGH!!!! I typed AwesomestCatEver not AwesomestCatEver.....AwesomestCatEver, UGH, how did you do this, CLOUDTAIL?!?!?!?!?! Everyone, just so you know, I typed CLOUDTAIL not AwesomestCat ever....SO YEAH NOBODY SAY HI TO CLOUDTAIL!!!!)

17. Give Blackstar an iPhone for his birthday and then take it back.

18. Watch TV when Rowanclaw tells you to go hunting.

19. Run around screaming, "LET'S GO TO THE GROCERY STORE!!!! YEAH!!!! CHEESE PONIES FOREVER!!!!!"

20. Did someone forget that Blackstar hates everyone? All you have to do is breathe!

CAN'T STOP ME!!!!!!!!!!!!! LALALALALALALALA!!!!!!!!!!!!!!!

[image]

Firestar, hi! It's your good friend Cloudtail! You're reading this from your phone on the app I bet right, Firestar? Because you can't get into your computer, by any chance? Guess why? Cause I knew your old password and I changed it!!!!!
LALALALALALALAL

Firestar's back, you're an idiot and a traitor Cloudtail!

Guess who's back? FIRESTAR! Cloudtail, you mouse-brain, I know you changed my password to liatduolc or Cloudtail spelled backwards!

I'll have my revenge, I'm warning you!

DarkForest

IT'S CLOUDTAIL AGAIN!!!!!!!!!!!!!!!!!!
LALALALALALALALALALALALA!!!!!!!!!!!!!!!!!!!!!

GUESS WHAT FIRE-FIRE-STUPID-SOMETHING?

LALALALALA!!!!!!!!!!!

I joined the DarkForest publishing staff!!!!! AND THEY ACCEPTED ME!!!! LALALALALALA!!!!!

I have another question for you, 'cause I keep wondering about the answer.....There's a DarkForest right? But where's the BrightForest? I wanna move there and get out of that pile of fox-dung known as StarClan!

If anyone can answer my question about the BrightForest, please comment! >:D

An Interview With Brackenfoot

Crazystar: Hi, Brackenfoot...

Brackenfoot: No, my favorite fruit is a banana! I wanna banana!

Crazystar: I didn't say....

Brackenfoot: Cookies and cake for everyone!

Crazystar: So I hear you're Patchpelt's friend?

Brackenfoot: Cheese ponies eat the sun!

Crazystar: Wait, you're part of cheese pony weirdo club?

Brackenfoot: I don't want a lollipop!

Crazystar: Ok, say something....

Brackenfoot: I thought I had a dog,

But I really had a frog,

I am such a poet,

And I didn't even know it.

Crazystar: Do you understand me?

Brackenfoot: Mousefur hates you.

Crazystar: Mousefur hates everyone....

Brackenfoot: Your fur is purple.

Crazystar: Are you insane?

Brackenfoot: I wish I had my mittens,

And I wish I had a hat,

I wish I had my scarf,

And I wish I had a cat!

Crazystar: You are a cat....

Brackenfoot: I went to Mars,

Because I wanted a candy bar....

Crazystar: You're weird.

Brackenfoot: I'm not ugly!

Crazystar: I...

Brackenfoot: I want a pet dog! A big dog! Bigger than the moon!

Crazystar: Dogs are dangerous...

Brackenfoot: Patchpelt likes zebras....

Crazystar: You are by far the weirdest cat I've met....and I've met a lot of weird cats...

Brackenfoot: Do you watch TV on non-rainy days when it's raining?

Crazystar: That makes less sense then my ridiculous jokes do....my motto is right, Expect the Unexpected....

Brackenfoot: Strawberries? Where?

Crazystar: That's enough of this ridiculousness. I'm leaving if you don't start giving me serious answers....

Brackenfoot: No! Don't steal my hairbrush!

(Runs off)

Where are my customers? Pizzas still ready to be sold...

Smudge: Where did all my customers go?!?!?!?! How could you miss the experience of eating a burnt pizza that tastes like cardboard? And how can you go to that-that stupid she-cat's place? She has the superior attitude like she has the world's best pizzas....and she charges 500% more than I do! And what's wrong with not having a chicken topping? It's not my fault that I'm allergic!!!!

And her cat food topping is NOT BETTER THAN MINE! MINE IS THE BEST!!!!!!!!!

Come back, and buy some pizzas! Buy 2, get 3 free! Only until March 1, 2013!

After that, I'll put up a new ad, but I'll worry about that later....

~The following ad was paid for by Smudge. LionheartPublishing does not necessarily agree with anything stated in this chapter~

Cloudtail and Firestar....

Firestar: Great StarClan...

A 20 ft tall Cloudtail stands in front of him laughing evilly holding a magic wand in his mouth

Cloudtail: COOKIE POWER!

Points wand at Firestar. Firestar screams as he starts to shrink. Suddenly, Firestar is two inches tall.

Cloudtail: HAHAHAHAHAHAHA!!!!!!!!!!!!

Lifts a paw and holds it threateningly above Firestar's head....

To be continued from Firestar's point of view...

The Birchfall Show!

[image]

Birchfall: Hi! We're here on the Birchfall Show once again and....

Jayfeather suddenly appears behind him. The audience starts screaming and Birchfall turns around

Jayfeather: Hi, Birchfall, can't catch me now can you?

Drives forward at 200 MPH. Drives off the stage, goes flying through the air, and the monster does a backflip in the air. Jayfeather lands just behind the seats where the audience is, and drives right out the doors

Birchfall(muttering to himself): Can't I even take an hour off from the Jayfeather chase?

Birchfall's monster drops from the sky and lands on the stage. Birchfall climbs in and tries to do what Jayfeather did...but he's not quite as good as Jayfeather. The audience scatters in a panic as the realize that Birchfall is about to land right in the middle of the crowd....Birchfall lands, luckily not hitting any cat, and speeds away. Jayfeather is barely in sight. Jayfeather is holding a platter of cookies out of the window.

Jayfeather: Want a cookie, Birchfall? Good, you can have it! *throws cookies at Birchfall's monster*

The cookies hit the windshield of the monster, splattering cookies crumbs and pink icing all over the windshield. Birchfall screeches to a halt because he can't see anymore. Birchfall climbs out of the monster looking angry.

Birchfall: Hey! That's not fair! Now I have to stop and clean my windshield because I can't see, and by then, you could be anywhere in StarClan!

Jayfeather: Quit being a sore sport just because I won!

Birchfall: Well, how would you like it if I did it to you?

Jayfeather(laughing): Wouldn't make a difference to me!

Jayfeather drives away and disappears into the distance

Note from Lionheart: Does anyone know why Jayfeather said, "Wouldn't make a difference to me?" The first person to get the correct answer will be interviewed, and the interview will be published in this book!

Birchfall and Jayfeather....Again....

Jayfeather and Birchfall are driving around StarClan. Birchfall is still firing donuts at Jayfeather

Birchfall suddenly screeches to a halt

Birchfall: Jayfeather, stop!

Jayfeather: Why should I listen to you?

Birchfall: You're about to drive into a lake!

Jayfeather: No, I'm not! My stick will protect me!

Birchfall: What? I thought you broke that worthless old piece of wood!

Jayfeather: Watch this!

Jayfeather: Maybe there's tunnels in StarClan!

Jayfeather's monster plunges into the lake

Jayfeather: Fallen Leaves! I'm coming to find you!

Birchfall: WAIT! COME BACK! YOU CAN DO WHATEVER YOU WANT WITH YOUR OWN MONSTER, BUT THAT BELONGS TO RUNNINGWIND!

Jayfeather: No, it has belonged to me for a long time!

Jayfeather waves the stick in the air.

Jayfeather: Fallen Leaves! Can you hear me?

Birchfall*shakes his head*: That cat's crazier than I thought...

Note from Lionheart: The LionheartPublishing staff feels bad that so many people got the correct answer last chapter, but only a few got interviews.....we have decided to give another question to answer, and the first three to get it right, and only the first three, I'm afraid, will win an interview. If you won an interview in the last chapter, you can answer, but you can't win again. The question is....Why was Jayfeather talking about tunnels and Fallen Leaves when he drove his monster into the lake?

I believe that this question is a bit tougher than the last one, but I also know that you all are smart, and I believe you can figure it out.

May StarClan light your path and Jayfeather not bother you!!

Interview with Frostbreeze(FrostStar)

Crazystar: Hi, Frostbreeze, thanks for joining us here today! So to start off this interview, do you believe in cheese ponies?

Frostbreeze: Well, it depends, only if I see them hurt other cats.

Crazystar: What do you mean?

Frostbreeze: Like if they come out and bite their tails.

Crazystar: I'm still slightly confused....but onto the next question. What do you think of the Jayfeather and Birchfall chase? Who do you want to win, and why?

Frostbreeze: I think it's funny to watch and all but Birchfall needs some sense that we do not have courts or police and for the winning side I will take Jayfeather's because he can drive blindly.

Crazystar: Have you heard about the latest Jayfeather and Birchfall story where Jayfeather drove into the lake, supposedly looking for some cat by the name of Fallen Leaves?

Frostbreeze: No, I have not. Why would he do that to a brand new monster?

Crazystar: I don't know. LionheartPublishing told me that Jayfeather had driven the monster into the lake, and that they had published a chapter about it in More Ways to Make Blackstar Hate You Forever. Anyhow, the next question is, who do you think is a better cook, Mousefur or Smudge?

Frostbreeze: I would say Mousefur because I love her pizza and as you can tell, Smudge burns his pizza.

Crazystar: I would agree, but I'm not supposed to take sides…

Next question is, who do you like more Lionheart or Firestar?

Frostbreeze: I like Firestar better because he has Patchpelt following him everywhere.

Crazystar: Speaking of Patchpelt, what do you think of him?

Frostbreeze: Well Patchpelt can relate to me a lot sometimes but he is a funny and weird cat to meet.

Crazystar: What do you think of his best friend, Brackenfoot?

Frostbreeze: Well for one thing I cannot understand him and another thing, he likes to say weird things.

Crazystar: Have you heard the Cloudtail apparently has magical powers?

Frostbreeze: I have and it sounds like he can make cookies poof up everywhere.

Crazystar: Is it true that Mousefur is grumpy most of the time, unless you're paying her for pizzas?

Frostbreeze: Oh yes she is very grumpy, to avoid her being grumpy I'd advise you buy a pizza or two.

Crazystar: What's Smudge like? I've heard he's not grumpy, but he's annoying and stupid....

Frostbreeze: Smudge is weird and he sleeps all day and barely checks on his food he makes.

Crazystar: What’s the weirdest thing about Smudge?

Frostbreeze: Well Smudge says names for us really weird for example: Fire-Fire-cat.

Crazystar: I thought that was Patchpelt...

Frostbreeze: Oh I’m sorry I’m not thinking. Smudge is weird because he has donut and cheeseburger guns and I don't even know

why he is in StarClan at all.

Crazystar: What did you think about the incident that happened almost a whole year ago between Smudge and Hawkstorm?

Frostbreeze: Well I thought it was pretty funny.

Crazystar: What do you think the funniest thing that's happened in StarClan in the past year is?

Frostbreeze: The funniest thing was when you and Smudge were fighting and he started shooting a cake gun.

Crazystar: I remember that! He couldn't even get it to work for, um, like, 15 minutes or something! So, who makes the best burgers in StarClan?

Frostbreeze: Well I really don't know since I don’t like to eat burgers that much.

Crazystar: Do you remember where StarClan had a vote on whether they wanted an Italian restaurant or a steakhouse? If you had been able to vote, which one would you have chosen and why?

Frostbreeze: I would have chosen the steakhouse since I like to eat steak.

Crazystar: And last but not least....what do you think of the book covers LionheartPublishing created for Ways to Get Kicked Out of ShadowClan and More Ways to Make Blackstar Hate You Forever?

Frostbreeze: I think the covers are really cool.

Crazystar: Thanks again for your time Frostbreeze. I'll send this info to Lionheart so that he and the rest of the staff can get this published ASAP!

Frostbreeze: Your welcome =^.^=

Catmint!

(Jayfeather is driving through StarClan. Birchfall is nowhere in sight. Suddenly Patchpelt appears, and jumps through the window into the monster)

Jayfeather: Hi, Patchpelt. *waves a cookie in the air* Wanna cookie?

Patchpelt: YAY! COOKIE! *Grabs the cookie and shoves it in his mouth*

Jayfeather gives slight smile.

Patchpelt: Are you driving to Mousefur-cat's cheese pie place?

Jayfeather: Sure. Whatever. Tell me about, um, what do you call them...cheese ponies or whatever...

Patchpelt: Cheese ponies live in the sky! They smell like pepperoni and eat the sun! Everyday, the sun gets smaller. And cheese ponies can see better than you!

(Normally Jayfeather would get offended, but he's hardly listening.)

Jayfeather: Mm-hm. Whatever you say.*sarcasm enters his voice* I'm sure one walked right up to your den and waved to you.

Patchpelt*stares at him in amazement*: It did! How did you know?

Jayfeather: I'm naturally brilliant. Now keep running your mouth.

Patchpelt: Huh? My mouth can't run!

Jayfeather: Keep talking, mouse-brain!

Patchpelt: I don't have the brain of a mouse, because I'm a cat.

Jayfeather*muttering*: A messed-up one....

Patchpelt: What?

Jayfeather*sighs*: I said you're right, so please keep talking....

Patchpelt: But I'm facing to the left, so how can I be right?

Jayfeather*annoyed*: Just tell me more about cheese ponies please...

Patchpelt: They sleep on pink clouds...

Jayfeather: Sure...

Patchpelt: They drink rain....if they didn't drink the rain inside the clouds, it'd rain on us more often. They're helpful! They're our friends!

Jayfeather: I don't have any friends....

Patchpelt: And if they're bored of racing on the moon, because that's where they race each other for fun you know, they visit StarClan and eat monsters. They usually only eat one or two while they're here...

Jayfeather: I thought you said they eat the sun....

Patchpelt: They do! But they snack on monsters while they're here! They don't want to eat just one type of food all of the time!

Suddenly, Patchpelt shudders and screams

His voice is more high-pitched than normal

Patchpelt: Where's me-cat's microphone?

He pulls a rainbow microphone out of thin air.

Patchpelt: I LOVE CHEESE PONIES! DO YOU HEAR ME? CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-PLEASE-ME-WANT-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-CHEESE-

CHEESE-CHEESE-PONIES!!!!!!

Jayfeather laughs evilly

Patchpelt: LOOK! IT'S A CHEESE PONY! COME OVER HERE, I WANNA A PICTURE!

Patchpelt points at Firestar.

Firestar: What is wrong with him? Wait, I don't really want to know....

Patchpelt: I'M GONNA GET THE CHEESE PONY!

Opens the door of the moving monster and falls out.

Patchpelt: NO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! MY MICROPHONE!

Jayfeather stops his monster, leaps out, and looks at Patchpelt's unconscious body even though he can't see.

Firestar: What did you do to him, Jayfeather?

Brambleberry emerges from the bushes.

Brambleberry: I saw the whole thing and I know exactly what's wrong. He's eaten too much CATMINT!

He has all the symptoms:

- Pulling rainbow microphones out of thin air.

-Suddenly screaming loudly for no good reason.

-High-pitched voice.

-Talking really loudly.

-Falling out of monsters.

-Falling unconscious.

Firestar: Did you by any chance have something to do with this?

Glances suspiciously at Jayfeather

Jayfeather: Uh.....well, I maybe accidentally put a little catmint in the cookie I gave him...

Firestar*glaring at Jayfeather*: A little?

Jayfeather: Well.....

Climbs in monster and drives off at 250 MPH.

Jayfeather*from the distance*: BYE! HAVE A NICE DAY!

Firestar*angrily*: JAYFEATHER!!!!!!!

Randomness(What Happens When You Give Crazystar A Piece Of Paper And A Pencil)

Scene 1

Blossomfall: Fear me, ShadowClan! I've brought with me a weapon of great destruction!

Leans forward and picks a small yellow stick off of the ground

Blossomfall: I HAVE A PENCIL!!!!! YEAH, PENCIL POWER!

Scene 2

Sandstorm: Firestar, are you alright? You look awfully tired. What's wrong?

Firestar: Your face!

Sandstorm: THAT'S NOT VERY NICE!

Stomps away. Cloudtail randomly appears

Cloudtail: Cookies!

Scene 3

Scourge: Look up, Tigerstar!

Tigerstar looks up. Scourge rakes his claws across Tigerstar's neck and kills him

Scourge: HAHA! Made you look!

Scene 4

Crazystar: Why'd you try to murder Lionblaze, Jayfeather, and Hollyleaf?

Ashfur: Well....most cats think it's because they were Squirrelflight's kits. THAT'S NOT TRUE! It's because those three stole ALL of my cupcakes!

Crazystar: Well...I think this interview is over...

Ashfur: It's NOT FAIR! I'm so misunderstood!

Scene 5

Bumblestripe: I WANNA BURGER! I WANNA BURGER(x100)

Mousefur: THAT'S ENOUGH! CAN'T YOU SHUT UP LONG ENOUGH FOR SOME CAT TO GET SOME SLEEP!

Bumblestripe: Sor-ree!

Firestar: Bumblestripe! Are you singing about tacos again?

Bumblestripe: NO! I'm singing about burgers!

Firestar: That's just as bad! Back on apprentice duties, now!

Bumblestripe: WHAT? THAT'S TOTALLY UNFAIR!

Scene 6

Graystripe: PIZZA! PIZZA! PIZZA! PIZZA!

The rest of ThunderClan joins in

Mousefur: COME TO MY RESTAURANT! PIZZAS HALF PRICE ONLY TODAY!

Silence

Lilykit: I want one!

Sorreltail: Hush now, you're too young, little one, to know what you're talking about. We can get better pizzas if steal them after she

leaves the pizzeria!

Mousefur: WHAT DID YOU JUST SAY?

Sorreltail: Who? Me? I did NOT say a word!

Scene 7

Squirrelflight: Wasn't ready to hear you, say good-bye,

Now you're tearing up my heart...

Leafpool: SHUT UP! This is too much 1D even for us Directioners!

Squirrelflight: There's no such thing!

Note from Lionheart: This Is What Happens When You Give Crazystar A Piece Of Paper And A Pencil And Ask Her To Write Something.

Cloudstar's newest chapter!

This is going to be the best chapter of this book!

It's also going to be super long so be prepared!

IN YOUR FACE, FIRESTAR!

WHAT DO YOU THINK ABOUT THAT WATTPAD WORLD?

YEAH!

That was an EPIC waste of a chapter!

Patchpelt started a business....?

Firestar: So Patch-Patch-Weirdo-Cat, if you could have someone build any sort of restaurant, what would you have them build?

Patchpelt: A grocery store, obviously!

Firestar: That's not a restaurant!

5 days later....

Firestar's walking down the street past an empty field...or what used to be an empty field...

*In the field there's about ten cats who look like they're trying to build something with wood. A giant banner is planted in the ground that says in big blue letters **THE EPIC CHEESE PONY CLUB***

Firestar: Patchpelt? Brackenfoot? Are you here?

Patchpelt waves to Firestar.

Patchpelt: Hi, Fire-Fire-Cheese-Cat!

Brackenfoot: But I wanna pizza!

Firestar: I have no idea what they're doing...I should probably just ignore them...the last time they looked like they were building something, they were building a little tent out of mud for "cheese ponies to sleep in when they come to visit StarClan....

2 weeks later...

*Firestar walks by the field again. A 10 foot tall wooden building stands in front of him with a huge sign next to it that says **PATCHPELT'S SOUPER AWSUM GROWSERRIE STOAR***

Firestar: Patchpelt started a, um, what does that say...oh, it says

grocery store. Great StarClan, I better see what he thinks he's doing....

Firestar enters the store. Inside are a bunch of makeshift wooden shelves that the Cheese Pony Club probably built by hand....or by paw, you could say.

Patchpelt: Hi, Fire-Fire-Cheese-Cat! Welcome to my grocery store!

Firestar: Ok, then...

Patchpelt: Would you like a free cookie? Like everything else in this store, I made it!

Firestar: Ok...

Patchpelt hands him a cookie. Firestar takes a bite.

Firestar: Oh my great StarClan.....these are actually good! What are the ingredients?

Patchpelt: Let's see....dough, sugar, cheese, bananas, and, um, there's one more thing...

Firestar: What is it?

Patchpelt: Oh yeah, I remember what it is! It's fox-dung!

Firestar passes out

Interview with Mintflower(1a_2b3c)

Crazystar: Hi, Mintflower, thanks for joining us here today! So to start off this interview, who do you think is the craziest cat in StarClan?

Mintflower: Hmmmm..... Patchpelt. But I think that Birchfall is second.

Crazystar: Birchfall? Why do you think Birchfall is crazy?

Mintflower: The Jayfeather thing. But now I think Birchfall is third. Jayfeather….he's been acting crazy.

Crazystar: I would agree with that. So, next question....have you heard of me until now? And if you have, what have you heard about me?

Mintflower: I've heard that you like pizza. I like it too! :3

Crazystar: Not all pizza...some cat's burn their pizzas so badly that they taste like cardboard. Um....yeah, Smudge, I'm talking about you....

Mintflower: He really does burn it horribly... Mousefur's is way better!

Crazystar: I would agree....So, what do you think about Cloudtail?

Mintflower: He and Firestar are like frenemies. Cloudtail pranks Firestar so much! XD

Crazystar: Have you read Cloudtail's book, Ways to Torture Firestar or something like that? I wanted to read it, but Firestar said if I read it, I'd be kicked off of the LionheartPublishing staff...

Mintflower: I haven't. I'll look into that.

Crazystar: His wattpad username is ThoseCookiesAreMine. Anyhow, have you heard about the time quite recently that Jayfeather drove his monster into a lake, supposedly looking for Fallen Leaves or something like that?

Mintflower: Yes. That's why he is now second on the crazy list.

Crazystar: Is it true that he was waving some stick in the air and saying it would protect him when he drove in?

Mintflower: I believe so. Though the stick is broken in half....

Crazystar: This stick was supposedly still in one piece....do you think he got a new stick?

Mintflower: There's only one and he broke it. Rock gave the first to him, so probably.

Crazystar: Have you heard about the Dark Forest's book, Reasons to Destroy the Clans?

Mintflower: Yup. I'm planning on reading it, but I also want to read more of Ways to Torture Firestar! :3

Crazystar: Did you also hear that Cloudtail joined their staff?

Mintflower: I did. I wonder why....

Crazystar: Do you agree with me when I say that Cloudtail's kinda sorta evil? I mean stealing Firestar's special chocolate chip cookies that were made by Sandstorm?!?!?

Mintflower: I agree!!! But he's so funneh!! X3

Crazystar: Do you think Cloudtail should be more concerned about what Firestar will do when he finds out that Cloudtail stole the special brownies that he ordered from SkyClan and paid a lot for shipping....oh, great StarClan, when Firestar proofreads this before publishing, he'll know! When you go after Cloudtail, just don't tell him I told you Firestar!

Mintflower: Yes, he definitely should be.

Crazystar: Who's your least favorite cat in StarClan?

Mintflower: Hawkfrost. Never ever liked him. Never. He was a bloody git! *speaking in a British accent*

Crazystar: Wait....he never made it to StarClan, did he?

Mintflower: I saw him there twice. *confused*

Crazystar: Okay....maybe you're thinking of Bramblestar instead...anyhow, next question! Who's the closest to being a "normal" cat in StarClan, in your opinion?

Mintflower: Firestar. Definitely Firestar.

Crazystar: Why do you think Firestar's normal?

Mintflower: He's not being weird all the time and he acts way more normal, cool headed and not obsessed.

Crazystar: Is it true that he's not very modern though?

Mintflower: I agree, he needs modernization. He really isn't, I'm going to teach him the Wii. ^w^ And kick his butt at Just Dance 3!

Crazystar: I bet he wouldn't understand half of what you just said....

Mintflower: I know he wouldn't! But I'll teach him anyways! ^w^

Crazystar: Good luck with that...'cause you'll need it! It's like trying to teach an old cat new tricks...oh wait, he is an old cat!

Mintflower: Thank you! And I will teach him it, because even Yellowfang likes playing Wii Sports Resort with me!

Crazystar: Yellowfang? Isn't she really grumpy?

Mintflower: Not around me. *chuckles a little* When we first met, we were grumpy towards each other. Then we became friends.

Crazystar: Is it true that Yellowfang has fleas?

Mintflower: No! I should know, we share tongues everyday or so.

Crazystar: Ok, then....and the final question is: What do you think of the book covers for Ways to Get Kicked Out of ShadowClan and More Ways to Make Blackstar Hate You Forever?

Mintflower: I think they are really cool! :3

Crazystar: Thanks again for your time, Mintflower. I'm going to send this off to Lionheart and Firestar to get this published ASAP. So, until we meet again, may StarClan light your path and Jayfeather not bother you!

Mintflower: You are quite welcome! May StarClan light your path.

An Interview With Cloudtail....Sort Of...

Crazystar: Hi, Cloudtail, thanks for joining us today! To start our interview, where were you born?

Cloudtail: In your worst nightmare.

Crazystar: Ok then....Lionheart told me to ask this next question....what's your definition of ugly?

Cloudtail: Firestar. His fur isn't groomed properly and he has chocolate smeared across his snout half of the time. He is so ugly.

Crazystar: It takes one to know one you know...

Cloudtail: WHAT DID YOU JUST SAY?!?!?!?!

Crazystar: Um, nothing. Next question....well, some cats say you're funny so can you tell me something funny?

Cloudtail: Your face.

Crazystar: Have you looked at yourself in the mirror lately?

Cloudtail: Yes.

Crazystar: How would you describe yourself?

Cloudtail: Better than you!

Crazystar: THAT'S IT! I'm DONE with your ridiculous smart-aleck comments! You don't even deserve to be in this book! I'm LEAVING!

Cloudtail: Okay, bye-bye. Tell Firestar I said hi!

Crazystar: Tell him yourself!

Walks out of the room and slams the door

Cloudtail*evil laugh*: Don't worry, I will!

Whiteberry's Math Lesson

YOU REMEMBER FLAMETAIL'S SCHOOL? Well, algebra is now a required class due to Firestar's insistence. Here's what a typical day in math looks like...

Whiteberry: So class, I have one question for you? Where did Polly go?

Mosskit: Polly went to go get a cracker!

Whiteberry: NO! She wants a cracker, but she didn't go get one!

Mosskit: Well then what's the answer?

Whiteberry: Polly's gone because she's a polygon!

Mosskit: Whiteberry? I don't get it!

Do you all get the joke? Because Mosskit apparently didn't...

Whiteberry's 2nd Math Lesson

Whiteberry: Ok class, so let's say there's 20 cats in ThunderClan. Then, their leader, let's say it was Firestar, dies. What do you get?

Mosskit: A very happy Clan!

Whiteberry: That was not the answer I was looking for....although it is correct. The answer is 19 cats!

Mosskit: Whiteberry? I have a question for you.

Whiteberry: What is it?

Mosskit: What did ThunderClan do when Firestar was dying?

Whiteberry: Um...try to save him?

Mosskit: NO WAY! What idiot would save that piece of fox-dung's life?

Whiteberry: Um....Patchpelt, maybe? But anyways.....what's the answer?

Mosskit: They sat down and relaxed and pulled out a bag of popcorn to watch!

Firestar's Gonna Explode! (YAY!!)

(Firestar is standing outside of the LionheartPublishing building with Graystripe and Sandstorm)

Firestar: What in StarClan's name is all this nonsense about the Clan celebrating when I was dead? Sandstorm cried when I died, didn't you, Sandstorm?

Sandstorm: Yes, I did. Tears of joy.

Firestar: I'm so mad right now I'm think I'm going to explode!

Sandstorm: YAY!!!(high-fives Graystripe)

Sandstorm and Graystripe: DO IT! DO IT! DO IT!

Lionheart: Hi, Graystripe, hi, Sandstorm!

Firestar: What about me?

Lionheart*ignoring Firestar*: Why do you two look so excited?

Sandstorm*with excitement*: Firestar says he's gonna explode!

Lionheart: Really? I'm gonna go gather all my friends so we can watch!

Soon hundreds of cats have gathered around Firestar. Quite a few of them are holding bags of popcorn

Firestar: What is wrong with you all?

Everyone: NOTHING!!!!

Firestar: Well, then, what do you think wrong with me?

Cloudtail: Your ugly face!

Bluestar: Your brain!

Firestar*in shock*: B-b-bluestar? B-but you a-a-appointed me as your deputy!

Bluestar: I was a senile old fool who'd eaten too much catmint the night I appointed YOU to be my deputy. A kit could've done better than you!

Graystripe: You go, Bluestar! Tell him!

Sandstorm: You're my new best friend, Bluestar!

Cloudtail: You can have one of my cookies, Bluestar! You've earned it!

Lionheart: You're not on my staff anymore, Firestar!

Raggedstar: Cats of StarClan, gather around!

A few minutes later

Whitestorm*calmly*: StarClan has discussed it and we've decided that you can either move to the Dark Forest or work for Cloudtail. You have to do whatever he says.

Firestar: How much do I get paid?

Whitestorm: Nothing. Nada. Zero. You'll be his servant.

Raggedstar: Well? What's your choice?

Firestar*to himself*: I can't leave StarClan...

Firestar*louder*: I choose to work for Cloudtail!

Cloudtail*laughing evilly*: Come with me, then! I have work for you!

Mousefur Returns

Mousefur: Who wants a pizza?

Thornclaw: Oh no, she's back from her 4 month vacation to Hawaii...

Mousefur(lifting her frying pan in the air): What did you just say?!

Thornclaw: Um, hi?

Mousefur: Attack!

(Charges towards Thornclaw)

Spottedleaf: Hey, look, Yellowfang! Mousefur has tackled Thornclaw and is punching him repeatedly on the head.

Yellowfang(continues reading "War and Peace" without looking up): Uh-huh. What's new?

Spottedleaf: Not that book! You've already read it ten times at least!

Yellowfang(turns the page): So?

Spottedleaf: You're a hopeless cause!

Yellowfang: Takes one to know one!

Spottedleaf: Once a ShadowClan idiot, always an idiot!

Cloudtail's New Worker

Cloudtail: Hold on, I gotta prepare somewhere for you to sleep.

(5 minutes later)

Cloudtail: Come with me.

(Leads Firestar down a small path and then points to a tree that has a straw mat under a large leafy branch.)

Firestar: Wait, this isn't your den your den is on the other side of the path.

Cloudtail: I know. This'll be where you sleep.

Firestar: Well where's my bed?

(Cloudtail points to a straw mat.)

Firestar: Wait, is this some sort of April Fools Day joke or something?

Cloudtail: No, stupid it's March 30, not the first of April!

Firestar: Well, fine! I don't how I'll ever fall asleep on that, but can I get some rest now then?

Cloudtail: No. I have work for you.

Firestar: Fine! What do you want me to do?

Cloudtail: You have to clean my couch with your toothbrush and then you can sleep for 3 hours but not a minute longer.

Firestar: What? You can't do this! It's cruelty and it can't possibly be allowed! I won't do it!

Cloudtail: I can do whatever I want! Don't you know who I am? I'm

the Master of Disaster, the Bearer of Terror, the Weird and Feared, the Crazy and Lazy, the Cookie-Eater and the Defeater, the Proud and Loud, the Perfect and...

Firestar: Enough!!!

Cloudtail(glaring at Firestar): Just do what I said or you can move to the Dark Forest!

(Firestar growls with frustration before grabbing his toothbrush and marching away.)

Whitestorm and Bluestar

Whitestorm: Bluestar, Bluestar! Did you hear about the kitnapping?

Bluestar(eyes full of concern): No! Which kit was it? If the Dark Forest was behind this, I swear I'll....

Whitestorm: Don't worry, he woke up!

Bluestar: That's not funny!

Cloudtail and Ferncloud

(Cloudtail is driving past Ferncloud's house. He notices Ferncloud sitting in her monster which is in her driveway getting ready to pull out onto the main road. He pulls out his cell phone punches in her cell phone number, but puts *67 at the start of it)

(Ferncloud answers her phone.)

Ferncloud: Hello?

Cloudtail*in a deep voice*: Is your monster running?

Ferncloud: Are you from some new monster dealership trying to advertise or something?

Cloudtail:*in the same voice*: Just answer the question.

Ferncloud*sighs*: Yes.

Cloudtail*in his normal voice*: Then go catch it! (He hangs up.)

Ferncloud: CLOUDTAIL!!!

Salad Time!

(Patchpelt is kneeling on the grass out of his grocery store and leaving a platter of fox-dung cookies on the ground. He plants a sign that says "Don't touch, these are for cheese ponies.")

Patchpelt: I hear them...speaking to me. They wish to tell me of something.

Patchpelt: What? Bananas aren't red! Oh wait, now I see what you're saying.

(Thrushpelt walks up to him.)

Thrushpelt: Sir, Sandgorse and I patrolled the field. No signs of cheese ponies.

Patchpelt: But there's one here, I can hear it speaking to me. You know the two forms a cheese pony can appear as, right?

Thrushpelt: Of course, Patchpelt. Invisible and visible.

Patchpelt: And how long does it take for a cheese pony's hoofprints to disappear?

Thrushpelt(nervously): Um...three minutes?

Patchpelt(disappointedly): No! Two! (Frowning) Have you read the whole textbook? (Drops a red book into Thrushpelt's paws. It says in sparkling gold letters THE ULTIMATE GUIDE TO CHEESE PONIES. Underneath it says in smaller letters by Patchpelt.)

Thrushpelt(backing away in fear): No...but it's over 5000 pages, sir!

Patchpelt(angrily): Members of this club should be fully committed to learning everything there is to know about cheese ponies, educating others about them, and honoring them! I have spent days, weeks, months even studying them! I have written 52 books about them and I only ask you idiots to read one of them! I

expected more of you, Thrushpelt, and I must say I'm rather disappointed. Now, since the hoofprints could have easily faded before you and Sandgorse arrived, I want you two to split up and search the field again.

Thrushpelt: Yes, sir! (Dashes off to find Sandgorse)

Patchpelt: I apologize on behalf of my students for their occasional lack of effort. Please tell me more about the problem. (Listens intently for a minute.) Too much sugary food in StarClan...yes, that's true...I sell too much junk food? But....should add more healthy options to the grocery store....yes, it sounds like a good idea...thank you, Mr. Cheese Pony!

(20 minutes later)

Thrushpelt: Sir, I'm sorry but there's still no signs of....

Patchpelt: That's okay. They came and spoke to me anyways! Try my new grocery store item they told me to add!

Thrushpelt(cautiously): What is it?

Patchpelt: A salad! (Holds out a bowl that looks like it's full of lettuce)

(Thrushpelt eats all of it)

Thrushpelt: It's good! I've never tasted such fresh lettuce nor have I ever had any that tasted slightly minty like that!

Patchpelt: Huh? That's not lettuce. It's catmint!

How did Jayfeather become blind?

Cat who's new to StarClan: Hi, Lionblaze! I've heard a lot about you!

Lionblaze: Thanks!

New cat: I've also heard a lot about that crazy brother of yours, Jayfeather or something. Is it true that he can't see?

Lionblaze: Yeah.

New cat: How did Jayfeather become blind?

Lionblaze: He took one look at me and was blinded by my good looks.

Squirrelflight on Patchpelt's Grocery Store

Leafpool: Squirrelflight, can you please tell me a little bit about Patchpelt's Grocery Store?

Squirrelflight: Well, for ONE THING, it doesn't take you to ANOTHER WORLD. When it comes to business decisions, Patchpelt keeps making the SAME MISTAKES. If you just go to restaurants, you can get so much MORE THAN THIS. I don't think I'm going to CHANGE MY MIND on any of these statements. I mean, NOBODY COMPARES to the awfulness of his grocery store. His foods so poisonous, some cats say if you eat too much of it, you could have a HEART ATTACK or something. So, C'MON C'MON, you should go somewhere else. I'm just telling you this because it's EVERYTHING ABOUT YOU and I want to SAVE YOU TONIGHT from food poisoning. I'd go to Mousefur's pizzeria, but tonight I'm TAKEN, 'cause I got a party where we will stay UP ALL NIGHT. I WISH that I WOULD be able to go with you, but don't you worry 'cause I'll be coming BACK FOR YOU. It's just, I WANT to....

Leafpool: SHUT UP!!!!

Annual Cheese Pony Parade

Patchpelt: Welcome to the 2nd Annual Cheese Pony Parade! This whole event is sponsored by The Epic Cheese Pony Club! And make sure you're wearing the pink wristbands we gave if you wish to receive a surprise at the end, just like you did if you came last year!

Squirrelflight: LAST YEAR'S SURPRISE WAS LAME! I MEAN, A $20 GIFT CARD TO MOUSEFUR'S PIZZERIA?

Patchpelt: This year's is much better. Most cats will like it more, particularly you, Squirrelflight!

Squirrelflight: It better be or I'm not coming next year!

Patchpelt*angrily*: This parade is about the cheese ponies, not the gifts!

Squirrelflight: Well, I still only come for the gifts!

Patchpelt: Okay, we're going to play our first song.

The band starts playing

Song:

We're not weird!

We're just special!

We're not dumb!

We're just different!

'Cause we love cheese ponies,

We live to study,

We live to learn and teach,

We live to understand,

We live to love and know,

The amazing life of CHEESE PONIES!!!!

(Chorus)

But now the world thinks we know nothing,

As we spend our lives so dedicated,

Wishing you would just listen to us,

And learn!

Oh, oh, ooooooooohhhhhhhhh!

Let yourself be inspired,

Kept in awe of those great friends,

From the clouds above our skies!

(End of chorus)

Someone in the audience shouts "We can't be in awe of them, because they're NOT REAL!!!" The band ignores them

We're not normal,

We're unique,

We're not worthless,

We're chosen,

Born and meant to study the great cheese ponies,

In the clouds,

There they are,

Watching us,

Smiling with pride,

'Cause someone cares,

Someone knows,

Their importance to this world we love!!!!

(Sings chorus)

Everywhere,

They're everywhere,

Look around there they are!!!!!!

(Sings chorus one more time and then the song is over)

(Starts new song)

When you feel alone,

You really aren't,

There's an invisible equine,

Right in front of you,

Just search for the hoofprints,

And there they are....

(The band plays a lot more songs for the next hour and a half. Finally they reach the end of the parade)

Patchpelt: And now, the surprise gift for everyone with a pink wristband is....an autographed "Take Me Home" CD!!!

(Squirrelflight starts screaming)

Squirrelflight: ONE DIRECTION!!!! BEST PARADE EVER!!!! ALL

MINE!!!

(Squirrelflight attacks Patchpelt, trying to get all of the CDs)

Squirrelflight: MINE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Patchpelt: Wait, Squirrelflight stop! You only need one...

Squirrelflight: DIRECTION!!!

Patchpelt: NO! One CD, not One Direction!

Squirrelflight*still trying to pull the CDs out of his hand*: But I do need One Direction!

Patchpelt: Whatever! But you don't need all of the CDs, 'cause you can only listen to one of them at a time!

(Squirrelflight stops attacking Patchpelt)

Squirrelflight: True. But then, give me my CD! NOW!!!!!!!!

(Patchpelt hands Squirrelflight her CD and she quickly runs off, screaming with joy)

Patchpelt*to himself*: And she doesn't even know the autographs are fake...

A Lot of Very, VERY Angry Directioners!

(A crowd of screaming she-cats are outside of Patchpelt's grocery)

Squirrelflight is holding a sign that says "Cheese ponies are fake, just like Patchpelt's autograph" Her sister Leafpool is holding a sign that says "The Epic Cheese Pony Club SUCKS!" but looks miserable. Sandstorm has one that says "Cheese ponies are almost as lame as Firestar" About 100 other she-cats are there holding signs that say stuff like:

"1D has better songs than you."

"How can you tell these lies to the young kits?"

"They sleep on pink clouds? And hedgehogs fly!"

"GET OUTTA MY KITCHEN!"

"May a giant carrot fall on your head!"

(Patchpelt comes out onto the roof of the grocery store)

Patchpelt: What's this all about? And what in the awesomeness of cheese ponies is the "GET OUTTA MY KITCHEN" sign supposed to mean?

(As soon as he comes out, the she-cats start throwing stones and rotten fruit and other various objects at him. Squirrelflight throws a burning stick with clawmarks on it at him)

Jayfeather: Hey, that's MY stick!

(Squirrelflight shrugs)

Squirrelflight: Sorry. It was needed for a greater cause!

(Grabs a burning mini statue of a cheese pony)

Squirrelflight: This is for Niall James Horan, Harry Edward Styles, Zayn Javadd Malik, Liam James Payne, and Louis William Tomlinson!

(Tosses the statue at Patchpelt. It hits him right on the head. He stumbles backwards and falls off of the roof. The Directioners all cheer.)

Sandstorm: This is Phenominiall!

Squirrelflight: And Brilliam, Fabulouis, Extraordinharry, and Amazayn! ONE DIRECTION FOREVER!

(The rest of the she-cats echo her cheer before turning around to go back home and listen to "What Makes You Beautiful" for the millionth time)

Cloudtail's Great Chapter of Nothing!

Squirrelflight has an arguement with Leafpool...

Squirrelflight: Baby, you light up my world like nobody...

Leafpool: Stop, Squirreflight!

Squirreflight: Why?

Leafpool*sigh*: Because I hate One Direction!

Squirrelflight: Well, then, I hate you!

Leafpool: Man, I thought Patchpelt was stupid...

A crowd is gathering to watch by now

Squirrelflight: Yeah, well, I thought Snowkit was deaf and Firestar was ugly!

Leafpool: You're dumb! You're so dumb that if you got stuck in a grocery store for a week, you'd die of starvation!

Squirrelflight: If it was Patchpelt's grocery store...yes! And you're so ugly, not even the trash can wanted you!

Leafpool: You're so dumb, you think a quarterback is a refund!

Squirrelflight: You're so fat, that when you posted a picture of yourself on a website, the whole system collapsed!

Leafpool: Man, Sandstorm must've dropped harder on your head as a kit then I thought!

Squirrelflight: Well, you're one to talk aren't you?

Leafpool: And you're so ugly because you have Firestar's hideous flame-colored fur!

Squirrelflight: You're calling cats ugly? Look in the mirror!

Leafpool takes a mirror out of her purse

Leafpool: I see a she-cat that looks....A LOT BETTER THAN YOU!

Squirrelflight: Blah, blah, blah!

Leafpool: That's the most educated thing you've said all day!

Squirrelflight leaps on top of Leafpool. They both roll across the ground, fighting each other

Read my books on ThoseCookiesAreMine. Fan me(I don't fan back anymore though. I'm too cool for fanning ordinary kittens like you) Vote for Ways to Torture Firestar and read my autobiography(Don't worry, it's really short. It less than a page long!) If you don't do all of these, you'll have no friends and no one will like you(oh, wait, sorry, they already don't. So, they'll hate you even more...) If you don't do any of these, you will suffer the consequences...let's just say it would be rather unpleasant, shall we?

Baseball...and TAKE ME OUT TO THE HOCKEY GAME?

Announcer: Hello, welcome to the first official game of the PCBL, or the Professional Cat Baseball League! Our game today features the WindClan Tornadoes vs. the RiverClan Tsunamis!

The game goes like this.

Inning 1: Both teams' players all strike out.

Inning 2: In the bottom half of the inning, Mistystar, who was the starting pitcher for the Tsunamis, intentionally hits Onestar, who was at bat for the Tornadoes, on the head with her 90 MPH fastball. The Tornadoes exit the dugout and a massive fight breaks out between the two teams. Mistystar leaves the game with a severely damaged face...

Inning 3: In the top of the inning, Willowbreeze hits a line drive(accidentally) straight at the Tornadoes pitcher, Crowfeather. Crowfeather also leaves the game with a severely damaged face...

Inning 4: WindClan's manager, Hawkheart, threatens to put deathberries in the Tsunamis food if they don't forfeit the game. He is ejected by Midnight, who is umpiring the game...

Inning 5: In the bottom of the 5th, Kestrelflight gets an inside the park homerun bunt to score the first run of the game for the Tornadoes!

Inning 6: One of RiverClan's players tries to cheat and change the scoreboard back to 0-0. Another fight between both benches breaks out, and that player, who has the name of Hollowflight, is ejected...

Top of Inning 7: Crookedstar gets angry when Midnight calls him out at first base for out number 3 for his team. He throws his batting helmet at her and is ejected...

Announcer: Please rise and stand for the 7th inning stretch!

TAKE ME OUT TO THE HOCKEY GAME,

TAKE ME OUT TO THE CROWD!

BUY ME SOME ICE CREAM AND PINK POPCORN!

I DON'T CARE IF PINK POPCORN DOESN'T EXIST!

ROOT, ROOT BEER IS NICE TOO,

THIS SONG IS SUCH A SHAME,

CAUSE IT'S ONE, TWO,

THREE FOOD ITEMS AND THIS SONG'S DONE!

Some fan: Hey, that's not the Twolegs version of that song!

Cloudtail: Yeah, it's my version! I wrote that!

Back to the game

Bottom of Inning 7: All three batters ground out to the third baseman....

Inning 8: The Tsunamis accuse WindClan of cheating and using special equipment to make the basepaths work like a treadmill going the opposite direction than it usually does and move Kestrelflight forwards faster on his homerun...Midnight threatens to eject the whole team if they didn't sit down...

Inning 9: The game is delayed because a group of fans decided to jump over the walls in the outfield and to attack Heathertail, who replaced Nightcloud in playing left-fielder...Lionblaze was leading them...WindClan gets three straight outs and the game ends with the Tornadoes winning 1 to 0.

Cloudtail's Comedy Show Episode 1

Cloudtail: Hey, this is a new show premiering on LionheartPublishing Network! Cloudtail's comedy show! Do you know why Firestar runs so fast through the forest once the sun has risen?

Some cat in the audience: Because there's a dog, or Tigerstar, or something?

Cloudtail: Nope! Because it's bright enough for him to see in the mirror!

Audience roars with laughter as a cat in an ugly orange coat comes out

Actor: NO! My nails are chipped! I just got them painted pink! NO!!!

Cloudtail: What are you scared of, Fire-Fire-Stupid-Failure?

Actor*pointing behind him*: That-that scary dark thing! It looks monstrous and it's following me! It even looks like it is touching me!

Cloudtail: That's your shadow, and I can't blame you for being scared!

You know Firestar's brain is still MIA,

Most cats say it never existed,

When he says something so stupid!

Well, laughing can hardly be resisted!

A few sound effects play from the speakers

Cloudtail: Ta-da! Rhyming in perfectly good timing, for a poet who most certainly does know it!

Scene changes

Cloudtail: Hey taxi! Take me to Memphis!

Pretends to sit in an imaginary taxi and fall asleep

Pretends to wake up about five seconds later

Cloudtail: Where am I? Why does it look like a desert?

A cat in a yellow suit appears holding a closed blue umbrella in one forepaw while pretending to move a steering wheel with the other paw

Cat/Fake Taxi Driver: Memphis, Egypt, as you requested, sir!

Cloudtail bangs frustratedly on the fake windows of the car

Cloudtail: Not Memphis, Egypt, you idiot! Memphis, Tennessee!

The car driver makes a big show in pretending reach into the backseat and open the door. He then gives Cloudtail a mighty shove and pushes him out of the imaginary taxi. The lights slowly fade

Cloudtail's voice: This was just a shortened version of our show! The rest of our shows will be five or six times longer! Hope you enjoyed, come back next time!

The CATwalk!

(The RiverClan Tsunamis have a new stadium. This is a commercial)

Voice: We have built our first real stadium! It has a domed roof(yes it has a roof)! Travel out to centerfield to buy our signature entrees! Hamburgers, yes literally ham on burgers and ice cream, literally a block of ice with creamy milk poured on it! We also have iceberg lettuce! Try to find this lettuce buried inside a 10-foot tall iceberg!

For special activities, we have three large dark rooms in right field as Tsunami Simulators! No concerns as long as you bring your life jacket!

Lastly, boxing lessons on the CATwalk,which is totally meant for you to walk on! Enter our championship tournament if you enjoy it! Final two lucky contestants get to fight on the highest catwalk, which is 207 and a quarter feet in the air! The Tsunamis are not to be held responsible for any excruciatingly painful deaths!

So come out to the ballpark! If you want special seating, buy the nosebleed seats! It's all about literally having our players slice their claws across your nose before the game!

10 Ways to Get Kicked Out of SKYCLAN!!!!

Clear Sky: We've been feeling left out this whole entire book! So let me tell you some ways from Cloudstar(of SkyClan)'s personal "notebook" aka hot pink DIARY!!!!! Diaries are girly and dumb....almost as much as Firestar!

1. Come from any of the Clans around the lake, and you WILL BE devoured for lunchtime.

2. Not buy cotton candy from Skywatcher and you'll be permanently exiled from our hunting grounds!

3. Don't you dare do the Gangnam Style dance! That's forbidden here!

4. Sit at the wrong table in cafeteria if you wish to be beaten on the head five hundred times with a tree branch and then forced to leave our territory!

5. I personally am not a Directioner, but say anything bad about them and we won't be able to stop 99.9% of the she-cats from tearing you to shreds!

6. Don't buy anything from Mousefur of ThunderClan! She's a stuck-up mouse-brain(oh wait, she doesn't have a brain at all) and her pizzas are ALMOST as bad as Smudge's(plus they're way more expensive)

7. If you start playing Justin Bieber's songs, most of us will have to buy earplugs and then get rid of you(plus demolish whatever device is playing the song!)

8. Don't join the Epic Cheese Pony Club! I am so sick and tired of hearing "cheese ponies eat the sun" and "they're big and yellow and smell like pepperoni" and "beware, the cheese ponies might be

ANGRY!" So scared! Shivering in my fur! Cheese ponies are as real as flying hedgehogs!

9. Don't encourage Firestar to join Wattpad! So many idiots have emailed or texted him, trying to persuade him to get on this incredible community!DON"T!We don't want his comments on our story or have him send us pms about "why do you pick on me" and having to answer "LOOK IN THE MIRROR!!!" We will inflict severe pain upon you if you encourage him to ruin my favorite website by joining! (He'd have zero fans, reads, votes, votes or comments though) :D

10. Never, ever, EVER bring Jayfeather to our camp with a monster! You'd be dead(along with the rest of the camp he'd destroy) before we could all do it ourselves!

Patchpelt Says Hi and SIX OPPORTUNITIES TO WIN A DEDICATION!

Patchpelt: HI! Have you really studied cheese ponies? Here's an opportunity to quiz yourself and win a dedication! First person to answer each question correctly wins a dedication! You can only answer one, your answers won't count if you answer multiple questions!

Question 1: What do cheese ponies snack on when they visit StarClan?

Question 2: I think which one of Firestar's relatives is half-cheese pony?

Question 3: I called him originally Fire-Fire-Cat? What was Cloudtail's most recent nickname for him?

Question 4: What type of clouds do cheese ponies sleep on?

Question 5: How long does it take for a cheese pony's hoofprints to disappear(in minutes)?

Question 6: What was the last line of the first song we sang at the Second Annual Cheese Pony Parade?

Cloudtail Releases His New Song!

A group of cats gather around to watch and dance as Cloudtail sings the chorus of his new song live

Cloudtail: CLOUDTAIL STYLE! YEAH.....Firestar's Stupid! Oh, oh, oh, Cloudtail Style! YEAH....I am awesome!

Band stops playing

Some cat: Hey, that's all we're getting for a concert that costs fifty thousand mice? That isn't even the whole song, it's just one time of the chorus!

Cloudtail: YOU GUYS WANT MORE MUSIC? Let's do
the Cloudtail Shuffle and then the Cloudtail Shake!

To my house, to my house, to my house, to my house,

To come would be great, don't you all want to?

Now go!

To there!

Now go!

To there!

But I guess you'll to walk,

All by yourself!

To my yard, to my yard, wouldn't it be fun?

As long as I am there of course!

Now eat!

Cookies!

But bring!

Your own!

'Cause I won't share,

No, I won't share!

Now, now listen up, come with me, come with me,

Now, now listen...

(Concert continues a lot like this...)

Cloudtail's Cell Phone's Answering Machine

(Mousefur is calling Cloudtail to try to persuade him to buy 25 $100 gift cards to her pizzeria)

(Cloudtail's voice is on the answering machine)

HI! I'm actually here,

But I want you to leave me alone,

So please go away,

And get off my phone!

There's a beeping noise that shows that she could now leave a message

Mousefur: I refuse to go away because then you'd miss the greatest special offer in the world! We have 25 gift cards with your name written on them! These can serve as your credit card from the Bank of Mousefur's Pizzeria or something! Or, if you want to, you can use them to taunt your little servant, Firestar! You get a 0.1% discount for using them, and you can order any pizza you want! Cheese, pepperoni, steak, cat food, anchovies, chicken, which by the way, Smudge does not have, mushroom, ham, even limited edition pinapple, and your favorite limited edition chocolate chip cookie toppings! Plus we're including a $1 gift card if you make this purchase and...

Cloudtail has been listening secretly the whole time

Cloudtail: MOUSEFUR, SHUT UP AND GO AWAY! Didn't the answering machine already tell you?

The answering machine was actually done right then by Cloudtail, not recorded a long time ago, contrary to Mousefur's thoughts

Mousefur: But it's a great offer that you'll never find anywhere else and Smudge doesn't have...

Cloudtail: Bye-bye, Mousefur! Oh and just so you know, I'm blocking your number!

Hangs up

The Return of Jayfeather

The scene is at Patchpelt's grocery store. Suddenly a bunch of screaming she-cats waving "autographed" Take Me Home CDs come riding on top of a big black monster going 256 MPH. A gray-furred tom with blind blue eyes can just barely be seen driving through the heavily tinted windows

Jayfeather: Ready to put on a fireworks show, ladies?

Squirrelflight(loudest) and the others: YEAH!!!!!!!

Some cat: For Taylor Swift!!!!!!!!!!

Squirrelflight: Wrong artist! *pushes cat off of the monster* By the way, we are never ever, ever, ever getting back together! Find a White Horse to ride home and maybe you can Begin Again! Hope you're feeling Fearless or you better Speak Now!

All cats including Squirrelflight: I remember when we broke up the first time,

Saying this is it we had enough!

'Cause like we hadn't seen each other in a month,

When you said you needed space....

Jayfeather launches the fireworks as they pass the grocery store. They stop singing and watch as the grocery store explodes in a colorful display of light

All: Ooooooooh, pretty!

Squirrelflight: That was One-D-ful!

Leafpool drives by in a jumbo jet with Patchpelt in the passenger seat(or whatever you call the seat where the co-pilot sits)

Leafpool: Hi, sis! This is Better Than Revenge! This cat's Mine and he's wondering why you gotta be so Mean! I just told him You Belong With Me and that weirdo is turning RED-faced with anger. He's Innocent and Enchanted by my beauty. And that's The Story of Us!

Squirrelflight: Jayfeather, TAKE ME HOME!

Squirrelflight and Bramblestar have an arguement...not about One Direction!

Squirrelflight: Look, Bramblestar! It's my new pet I brought home from the StarClan Zoo!

In the backyard, a yellow-furred creature with brown spots and a super long neck is munching on the leaves on the top of an oak tree

Bramblestar: Are you serious? Last time I checked, this isn't April Fools Day!

Squirrelflight: Nope! It's International Squirrelflight Day!

Bramblestar: Since when?

Squirrelflight: Since...ten seconds ago?

Bramblestar: It's my least favorite day of the year then...

Squirrelflight: Maybe I'll change it to International Squirrelflight Month...no, year...wait what about a decade? Yeah!

Bramblestar: I wouldn't be able to live through ten years of this...

Squirrelflight: Oh, oh, a century would be the best!

Bramblestar: What about changing it to International Squirrelflight Minute...I might actually survive that!

Squirrelflight: No, that's too short. Okay, so I'm officially changing it to International Squirrelflight Millennium!

Bramblestar: Um, Squirrelflight, it might seriously be a good idea to return 'your new pet' that you probably stole from poor Ivypool...

Squirrelflight*cheerfully*: I named it Fluffy!

Bramblestar: Uh...Fluffy?

Squirrelflight: Maybe I should change it to Kevin after Louis's pigeon!

Bramblestar: Um...what? Actually, never mind, I don't want to have another lecture about One Direction...

Squirrelflight: Let's go play with it and pet it! And maybe we can feed him some lettuce too!

Bramblestar: Squirrelflight, there's no way I'm living with that thing, which isn't even a proper pet...go get a bird or rabbit or something but not this...

Squirrelflight: But he's so CUTE!!!!!!!!!

Bramblestar: SQUIRRELFLIGHT! It's either the giraffe or me!

Squirrelflight: Bye!

Kevin the Giraffe...IS MISSING!

Squirrelflight: OH KEVIN! Would you like some lettuce?

Squirrelflight looks to the tree where Kevin was eating leaves from yesterday. He isn't there. What she doesn't notice is that he's actually just on the other side of the backyard...

Squirrelflight: NOOOOOOOOOOOOOOOOO! Kevin's missing!

30 mins later

Squirrelflight: DONE!

She has made a poster.

The poster says:

MISSING! Bramblestar and Kevin the Giraffe!

Reward for the
giraffe....

Happy First of July!

Briarlight: Happy First of July!

Blossomfall: It's only the fourth of July, not the first of July!

Briarlight launches some fireworks into the sky.

Briarlight: Why not? Every day in July is special!

Blossomfall: Because Independence Day is....

Bumblestripe rides by on a bicycle

Bumblestripe: Happy Thanksgiving!

Blossomfall: What is wrong with my siblings?

I JUMPED OFF A CLIFF!

I got the idea from reading firestar4ever's spoof book and how she called Heavystep a zombie cat...it was hilarious and I got some ideas... :)

Lionheart walks onto the stage

Lionheart: Hi, and welcome to our newest show called, The Erins Could Not Make Up Their Minds! Hawkheart please come out!

Hawkheart marches out

Hawkheart: My fur changes colors! For most of the books, I was dark brown but for the Yellowfang book thing or whatever, I got magically changed to gray fur! *waves a magic wand and his fur changes from brown to gray*

Lionheart: Ok then. That was super lame and boring. *pushes Hawkheart off the stage* Who's next?

Jayfeather rides onto the stage in his stolen monster

Jayfeather: ME!!!!!!!!!!!!!!!!!!!

Lionheart: Nothing got magically changed in the books about you!

Jayfeather: No, they made a huge mistake! They said I was sane in ALL of the books!

Birchfall appears blasting donuts at Jayfeather and the blind medicine cat quickly speeds away

Lionheart: All right then. Who's actually supposed to be next?

Cinderpelt(not Cinderheart) limps out

Lionblaze(from the crowd): HI SWEETHEART!

Cinderpelt glares at him

Cinderpelt: I'm not your girlfriend! I'm Cinderpelt!

Lionheart: What did they do to you?

Cinderpelt*excitedly*: I was so happy when in the exclusive manga after Yellowfang's Secret, they pictured me without this useless leg! I was SO HAPPY not to be crippled!

Cinderpelt's leg magically fixes itself and she runs off of the stage

Lionheart: Our medicine cat needs to talk to them about doing that for poor Briarlight. Next?

Brokenstar comes out

Lionheart: You don't belong here! Go back to the Dark Forest!

Brokenstar: They told me in one Super Edition I fought RiverClan apprentices at my first Gathering and the other one I was fighting WindClan! So confused...

Lionheart slices his claws across Brokenstar's throat and shoves him into a garbage bag

Lionheart: Someone sane from StarClan please?

Frogtail appears

Frogtail: I never had a mentor! I thought it was Archeye but they never mentioned my mentor in the allegiances...

Lionheart places duct tape over her mouth

Lionheart: That was more boring than Hawkheart's story! You don't even have a demonstration! Can I please just have someone interesting?

Cloudtail steals the microphone from Lionheart

Cloudtail*quickly*: They never mentioned I like cookies!!!!!!

Hands the microphone back to Lionheart and runs off

Lionheart: You and your cookie obsession...you all are boring our viewers! I'm quiting if I don't get something impressive right now!

Rowanclaw walks over

Rowanclaw: Hi. For the first two series I was a she-cat but now they decided I'm a tom. Bye, I gotta go watch the reruns of...

Lionheart knocks him out

Lionheart: Sorry, but I didn't want him to start talking about his reruns of Family Feud. Two more stories and then it's my bedtime, I have to go to bed at 7 PM every night and I can't fall asleep without my pink teddy bear named Fuzzy.

Dawnbright and Mallowtail march out together

In unison: We both died,

So everyone cried,

But we reappeared as warriors and now we're alive,

So everyone gave each other high fives.

Yeah! Poetry power,

Tonight there will be rain showers!

Smokefoot rushes out

Smokefoot: I did better than that! I jumped off a cliff and survived! When I magically teleported myself to the new ShadowClan camp, everyone was shocked. The Erins had to republish a book because they had to add me to the allegiances!

Teleports everyone to the Grand Canyon and waves before jumping over the edge

Lionheart and everyone else watching gasps and watches, looking horrified. Well, not everyone. The ShadowClan cats hardly raise an eyebrow

Blackstar: Oh, stop worrying. He'll appear in the apprentices den in about five minutes. Now the problem is getting back home since we don't have teleportation powers...

Sandgorse is a LIAR!

Sandgorse: I ate 500 pizzas!

Palebird: LIAR! You only had 400!

Cloudrunner: Yeah! Quit telling, tall tales!

Tallstar: Did someone say my name?

A NOTE FROM LIONHEART: Sorry, this is kind of boring but we couldn't think of anything else :(Hope you enjoyed anyways, sorry for not posting anything for a while.

Patchpelt's Return

(100 cats are gathered around Patchpelt due him saying he had an important announcement and calling a Clan meeting)

Patchpelt:
HIII

Jayfeather is captured!

A gray-furred tom in a black monster hops out. Birchfall rushes forward and grabs him by the shoulders. This warrior, assumedly, is Jayfeather. He's wearing sunglasses and a t-shirt that says I AM THE BEST!

Jayfeather: HEY, WHAT'S GOING ON?

Birchfall: Let's see...someone's TV, someone's phone, someone's computer, someone's radio...

Jayfeather: NO! I mean, like, what's up?

Birchfall: Gas prices, the sky...

Jayfeather: Great STARCLAN!!!!!!!!!! STOP THAT?

Birchfall points to an abandoned building that looks like it's going to collapse any moment

Birchfall: Go there and DON'T MOVE A MUSCLE while I retrieve the handcuffs from my monster.

Jayfeather: That building is not stable.

Birchfall: Your mom's not stable.

Jayfeather: HEY! Don't insult Willowpelt!

Birchfall: Huh? Your mom is Leafpool!

Jayfeather: What? Have you gone insane?

Birchfall pulls Jayfeather's sunglasses off...revealing amber eyes, not blue

Birchfall: Um...Graystripe? But that doesn't make sense! Your monster has the same license plate as Jayfeather's!

Graystripe: I know! Isn't it awesome? Instead of having to buy a license plate for my new monster, Jayfeather gave me this one for FREE!

Birchfall: I hate that cat....*passes out*

Firestar is standing nearby

Firestar: Why? Why does everyone hate me? *runs off crying*

Graystripe: For once, he wasn't talking about you....

Cloudtail's version of Into the Wild

Cloudtail: HI! As you can see I've hacked into LionheartPublishing's account yet AGAIN! Anyhow, Erin Hunter got the WHOLE ENTIRE SERIES WRONG! We need to tell the real story of Into the Wild...okay, here goes nothing...

Once upon a time, there was an UGLY(emphasis on ugly) kittypet named Rusty. He was lazy and even fatter than Dustpelt.

Rusty's housefolk abandoned him on the streets at the age of six moons. A kittypet named Smudge was picking on him as he saw the housefolk get rid of Rusty. Being a wimp, Rusty ran off, sobbing hopelessly.

Graystripe attacked him but when he saw his face he was too stunned to keep attacking because Rusty's face was so ugly!

Bluestar decided to train him because she hoped his ugliness would scare away ShadowClan.

She asked him if he thought he looked ugly and he said no. Since he said that, she meant to call him Liarpaw because he lied about not being ugly but everyone thought she said Firepaw. Bluestar didn't realize it until it was too late.

When he entered the apprentices den, Sandpaw spat, "STAY AWAY FROM ME YOU UGLY KITTYPET!"

Firepaw meowed, "I LOVE YOU!!!!!!"

Sandpaw then passed out.

Firepaw helped a starving ShadowClan warrior and Bluestar used that as the excuse she had been desperately searching for to punish him.

She began to train him but he was so bad that she stopped trying.

Spottedleaf mysteriously died...Bluestar was her killer! (More on that later)

WindClan disappeared and Bluestar hoped that Brokenstar would be frightened by Firepaw's ugliness when ShadowClan attacked the camp. Instead he hid in the corner of the camp, whimpering and scared for his life.

Next book coming soon! I'm going solely on memory, so forgive me if forgot something! Go Team Cookies!

Cloudtail IS BACK AGAIN!

Ways to Get Kicked Out of The Dark Forest/BloodClan

*I'm still here! After all, I'm Cloudtail I can't just leave after that one chapter! I'm gonna make Lionheart really mad by posting this chapter on behalf of the Dark Forest Publishing staff because this is supposed to be StarClan's book...NOT FOR MUCH LONGER THOUGH! SOON THIS BOOK WILL BELONG TO THE DARK FOREST AND COOKIECLAN! *evil laugh**

BloodClan

1. Be Tigerstar.

2. Look at Scourge the wrong way.

3. Be Socks or Ruby.

4. Steal Bone's french fries.

5. Be alive.

6. Not have EXACTLY 16 teeth on your dog tooth collar.

7. Talk to a cat.

8. Eat Mousefur's burgers instead of Smudge's.

9. Like pie.

10. Look as ugly as Firestar!(That's true for all Clans, including the Dark Forest!)

Dark Forest

1. Be nice.

2. BE A STUPID, LOSER KITTYPET LIKE THE HIDEOUS

WORTHLESS FIREKIT!

3. Not like Cloudtail.

4. Take one of Cloudtail's cookies.

5. Be within 25000 miles of a StarClan cat.

6. Look and act as girly as Spottedleaf.

7. Buy Mousefur's lousy pizzas.

8. VISIT THE DARK FOREST HOTEL AND PIZZERIA ***OR ELSE!***

9. Not like cherry pie.

10. DON'T TALK TO CRAZYSTAR! CRAZYSTAR IS *ANNOYING!* (not even half as much as Firestar BUT STILL! That she-cat is awful! SHE TOLD ME I WAS FAT AND THAT I ATE TOO MANY CHOCOLATE CHIP COOKIES!)

Pizza Battle

Lionheart: We've had a lot of debates over who has the best pizzeria! Our three contestants are Smudge, Mousefur, and Redwillow! They will fight each other over who has the best pizzas and have been allowed to pick one weapon of their choice!

Smudge raises his cake gun but whimpers in fear as Mousefur glares at him and lifts her frying pan threateningly

Lionheart*frowning*: No attacking before we start or you are disqualified, MOUSEFUR!

Mousefur: I can do what I want!

Redwillow is holding nothing but a pizza from his pizzeria

Lionheart: When I say three you go! 1,2.....4!

Mousefur charges forward and Lionheart laughs

Lionheart: I didn't say three, Mousefur! You're disqualified!

Mousefur charges towards Lionheart and starts hitting him on the head with her frying pan

Lionheart: Never mind..ow! Just go attack...

Redwillow stands and does nothing but watch as Mousefur sprints towards Smudge, who backs away, terrified, and desperately pulls at the trigger to his cake gun

Smudge: HELP!!! IT ISN'T WORKING!!!

Mousefur: DIE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Smudge: Look behind you, Redwillow is gonna attack you!

Mousefur spins around and Smudge flees

Lionheart: Smudge is out of the competition! It is down to Redwillow and Mousefur!

Mousefur: SLOWLY DIE OF STRANGULATION AND POISON FROM DEATHBERRIES AND WATER HEMLOCK COMBINED!

Finchkit*magically appearing out of nowhere*: Flappy Bird!

Mousefur*frowning*: Flapping Bird?

Finchkit: NO! Flappy Bird!

Mousefur: Happy bird?

Finchkit: Never mind. Redwillow, do you play Flappy Bird?

Redwillow*enthusiastic nod*: Of course! They shouldn't have deleted it from the App Store!

Finchkit: I know right!

Mousefur: Does this have anything to do with pizza?

Finchkit: Uh, no...bye! *disappears*

Mousefur: FIRST I WILL RUN YOU OVER WITH A MONSTER AFTER BEATING YOU ON THE HEAD WITH MY FRYING PAN 1000 TIMES, THEN I WILL BOIL YOU IN A PIT OF ACID, NEXT YOU WILL BE DROWNED AT THE BOTTOM OF THE OCEAN AND BE FORCED TO EAT A SMUDGE PIZZA! ALSO, I WILL PUSH YOU OFF OF A SKYSCRAPER, LET YOU SLOWLY BLEED TO DEATH, AND HAVE YOU BE CRUSHED BY A RANDOM PINK ELEPHANT THAT WILL FALL FROM THE SKY! In other words, I HAVE THE BEST PIZZAS! Now, any last words before I kill you?

Redwillow*tapping his phone playing Flappy Bird*: I...NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO I WAS AT 237! Ok, so last words? Um...sorry I wasn't really listening could you repeat that?

Mousefur: FIRST I WILL RUN YOU OVER WITH A MONSTER AFTER BEATING YOU ON THE HEAD WITH MY FRYING PAN 1000

TIMES, THEN I WILL BOIL YOU IN A PIT OF ACID, NEXT YOU WILL BE DROWNED AT THE BOTTOM OF THE....

Redwillow: Ok I get the point NOW SHUT UP!

Mousefur*raising her frying pan threateningly*: Make me! Anyhow....YOU WILL BE DROWNED AT THE BOTTOM OF THE OCEAN AND BE FORCED TO EAT A SMUDGE PIZZA! ALSO, I WILL PUSH YOU OFF OF A SKYSCRAPER...

Redwillow: Let's not fight yet. Why don't you try my pizza at least and see if you like it? You have never even tried one of mine! *offers her the pizza he has been holding the whole time*

Mousefur hesitantly takes a bite and gags as she swallows

Redwillow: Haha, I win!

Mousefur: Lol, no. That was disgusting.

Redwillow: It wasn't about how it tasted. It was about beating you in a battle.

Mousefur: You haven't even laid a claw on me! You haven't won the battle!

Redwillow*shrugs*: If you say so...

Mousefur: Anyhow, what was in that pizza that made it taste so disgusting?*chuckles and then speaks sarcastically* Deathberries?

Redwillow: Uh yeah...

Mousefur: Great StarClan...*falls on the ground and her paws start flailing around*

Lionheart: So that concludes the pizza battle! Redwillow is declared the winner!

Redwillow: YAY! GUMMY BEARS!!!!!

Words of Wisdom From Nightwhisper

~Chapter written by Nightwhisper, who is crazy

Gummy bears

Squirrelflight apparently is a flying squirrel. I dunno but she does look like it.

And what kinda name is Brokenstar? Last time I checked you couldn't break stars. You CAN break one of Squirrelflight's Midnight Memories CDs(Leafpool did it. We haven't seen her around again since)

The meaning of life is to eat bananas and survive the apocalypse.

I am laughing right now because this chapter makes no sense.

Crazystar just punched me in the face and told me this chapter was stupid and that it was a waste of time for you to read this.

She's kinda sorta right.

Then again Crazystar is always right...NOT.

Okay I gotta go because she's decided to smash my head with a baseball bat because I said that. While I'm gone and busy running from her entertain yourself by imagining her chasing me across StarClan.

Bye.....ow, that hurt, stop it Crazystar!

Cliffhangers

Crazystar is reading a book on Wattpad and gets frustrated when it's over and there's a cliffhanger. She really wants the author to update and starts grumbling to Cloudtail

Crazystar: Cliffhangers, so mean, authors who use them are jerks.

Cloudtail: You used a ton of them in Crazystar's Battle and then you had the nerve not to update for a month....

Crazystar: Um...those weren't cliffhangers...those were, um, they were, well, suspenseful endings!

Cloudtail: You have one in every chapter of Loved You First.

Crazystar: Not every chapter!

Cloudtail: The prologue doesn't count and neither does chapter one! Or chapters two, three, or four!

Crazystar: Um, that's like half of the book that doesn't have cliffhangers.

Cloudtail: I don't care. Escaping Danger has a lot of cliffhangers too.

Crazystar: Just stop.

Chatting with paddy97coolpink

Random Weird Spaghetti Thing

I like spaghetti, do you like spaghetti? If I like spaghetti then you like spaghetti because I like that you like that I like spaghetti. Spaghetti is red and spaghetti is blue. If you like spaghetti then cows say moo. Spaghetti loves pancakes and pancakes love waffles. Cloudtail thinks that your mom smells awful.

Wtf does this have to do with warriors? xD

Longest Chapter EVER(I wonder who wrote it? Big mystery)

What if Firestar had a brain?

Amberkit's Story

Amberkit is listening to the warriors gossiping about ShadowClan

Brightheart: What are you doing?

Amberkit: Listening to what they're saying.

Brightheart: Why are you listening to this? These rumors are so old.

Amberkit: You're old and I still listen to you.

Note from Lionheart: Sorry for the long time without updating guys our staff went on strike and then Crazystar decided to start some riots. They burned down our building and we had to rebuild it. While Crazystar was screaming at Brackenfur and Cloudtail to throw stuff at us. Birchfall tried to act like the police and tried to handcuff Crazystar and Crazystar punched him and knocked him unconscious. Someone needs to explain to him there's no police in StarClan.

Apparently Crazystar wanted a 5000% raise I told her she was crazy.

Jayfeather Can Drive?

Jayfeather(swerving back and forth): I CAN drive!

Crashes into a building. Monster flips over and right after Jayfeather crawls out, it explodes in a massive fireball

Jayfeather: IM OKAY! DONT WORRY THAT WAS CRAZYSTAR'S CAR!

Crazystar approaches with a machine gun and Jayfeather runs off

Frostfur's Grammar Lessons

Frostfur: Hi! Welcome to my grammar class! Grammar can be difficult to understand, especially in English. Comment with anything you'd like me to teach you, and I will give the class a lesson on it! But for now, I've picked the first lesson. I's going to teach you how to conjugate the verb to be, one of the most misused verbs.
People always conjugate it wrong.
I am
You are
He is
She is
It is
We are
They are
^ THAT BE WRONG!!!! Let me teach you the proper way to conjugate to be.
I is
You be
He be
She be
It be
We be
They be
I is be the only one that can be a contraction. Now I is going to give an example.
I is a muffin
I's a muffin.
I's is the the contraction for I and is. That's the lesson for today class! Comment what you want to learn next and also practice what I've taught you today in the comments! For those of you who be curious, in old English for thou it be not thou art! It be thou is!
Note from Crazystar: I wish school was like this irl XD

Commenting

Lionheart: Did you know that if you use the word kill in a comment here, wattpad marks it as offensive now? XD Now Crazystar can't threaten to kill everyone and blow up the world anymore.
